[Email-ID](#) · [LinkedIn Profile](#) · [GitHub](#)

IT Professional with experience of working with Engineers and have good hands-on Languages which helps me to get practical knowledge. I have Experience working as a Campus Ambassador which highlights my Leadership qualities and communication skills.

EXPERIENCE

JUNE 2021– PRESENT

HUMAN RESOURCES ASSISTANT RECRUITER, AASHMAN FOUNDATION
INTERNSHIP

Helping Aashman foundation to get volunteers for various job positions. Like, HR, Sales and Marketing, Video Editing, Social Media Marketing, and many more.

MAY 2021– JUNE 2021

DATA SCIENCE & BUSINESS ANALYTICS, THE SPARKS FOUNDATION
INTERNSHIP

Things we perform here are to collect data and train a machine with that data and predict the outcomes with the test data.

Our works include day-to-day tasks performed.

JAN 2021 – FEB 2021

CAMPUS AMBASSADOR, EDFOUL
INTERNSHIP

Helped our team to build various kinds of LEDs they were working on. Gained good communication skills and came up with a good leadership quality.

NOV 2020 – DEC 2021

VOLUNTEERING, YOUTH EMPOWERMENT FOUNDATION
VIRTUAL INTERNSHIP

Collection of donations for people who were in need in lockdown. Spreading awareness about our organization to people who don't know about it.
